

**RECOMMENDED LANGUAGE FOR
MOTION FOR DISCOVERY OF GENERAL DIGITAL EVIDENCE**

(When dealing with digital evidence that has been preserved and examined by law enforcement, industry standards recommend that a full report and copy of the original evidence along with any proprietary software or file viewer be requested.)

1. All reports including search warrant or consent to search, and reports regarding the seizure and the chain of custody of the evidence.
2. The forensic examiner's report detailing the tools, software and all procedures used to acquire, locate, process, analyze or examine the evidence.
3. Full forensic report(s) in PDF format.
4. A copy of the original digital evidence in the native (original) format of the forensic device or software used to conduct the examination or analysis.
5. Copies of any proprietary file viewer(s) or software for the specific forensic tool used to acquire the evidence.
